ECLAIR NPR (NOISELESS PORTABLE REFLEX) 16MM CAMERA & ACCESSORIES

PRELIMINARY INFORMATION

U.S. NPR PRICE LIST

September 1, 1965

1. BASIC NPR CAMERA ORDER

The NPR Camera Head cannot be sold without the purchase of at least one magazine and one motor as shown in the NPR Package Prices listed on Page 1. All other equipment and accessories are considered optional or spare and can be sold separately at the prices listed in the following pages.

2. STANDARD NPR TURRET

As of February 1st 1965 and including those turrets supplied with the NPR Packages listed on Page 1, the Standard NPR Turret is: 1- Lens Position with Eclair CA-I mount, and 1- Lens Position with Standard "C" Mount. For Special Order Turrets see Item 3 below.

3. SPECIAL ORDER TURRET

As of September 1st 1965 a specially ordered turret can be supplied at the time of initial purchase, in either one of the following positions, and at a slightly higher premium: CIRCA TURRET having 2- Lens Positions in Eclair CA-I Mount, or CIRCC TURRET having 2- Lens Positions in Standard "C" Mount. If either of these turrets is ordered, ADD: \$100.00 to the price of the Basic NPR Package selected from Page 1, and allow 4 to 6 weeks for delivery of your camera. For Turret Changes after purchase, see Page 7 of this Price List.

4. STANDARD NPR LENS

The Standard Lens recommended for use with the NPR Camera is the ANCAM Angenieux Zoom Lens. See Page 8 of this Price List.

5. NPR FRANCHISED DEALERS

Unless otherwise noted, each of our dealers provide both sale and rental cameras. See the last page attached to this Price List.
